Venue Details

The Corn Exchange is in Exeter city centre and is situated close to the high street and cathedral. Please see website below for more details.

<http://www.exeter.gov.uk/index.aspx?articleid=10031>.

If travelling by car, there is an NCP car park below the venue and a number of council car parks within a few minutes walk. There are also three park and ride schemes that stop in the city centre, the closest stops are reached from the Matford (green) route.

Details can be found at following web address

<http://www.devon.gov.uk/exeter-park-and-ride1004.pdf>.

The nearest train station is Exeter Central which is no more than a 10 minute walk on the flat to the venue. The same is true for the bus/coach station.

Exeter Corn Exchange, Market Street, Exeter, EX1 1BW
